

JUNE 28, 2020

After much prayer and consideration, we are preparing to resume LIVE worship services outside at the building at 2438 National Road, Fairborn. We are excited to share our plan to phase back into gathering together.

We are committed to providing an environment with the guidelines of the Ohio Department of Health in mind. To do this, we have modified our services to create a touch less worship experience. Our desire is to help keep you and your family healthy and safe.

We look forward to seeing you soon!

## Worship Services

- Live **outdoor** worship services resumed Sunday, July 5 @ 10am
  - Face coverings will be *optional* at the 10:00 AM service, since it is an outdoor service.
  - Social distancing will be required.
  - We ask that you sit (bring chairs) and only sit w/your family, while practicing social distancing.
- Communion will be available through individual cups, but if you prefer to bring your own that is fine.
- Services will be shorter, as we need to be mindful of families with children

## What if it rains?

- If weather doesn't look pleasant, we will have service live streamed on our YouTube Channel

## Kids

- Kid's kingdom will not be available at this time...
- Please continue to meet online for weekly activities, stay tuned..
- We encourage you to continue engaging with our online resource which we will send links to soon

## Additional Information

- We encourage small groups to resume meeting outdoors during the week.
- If you or family members are showing any symptoms of sickness please stay at home for small group, church outings and church services.

## Online Church

We've been so grateful for the opportunity we've had to worship together online during this season, and that experience isn't going away. So, if you are not ready or able to attend in person right now, we encourage you to attend online where we will hope to live stream the Sunday service. We may have to record the Sunday service and not livestream due to there being no Wi-Fi at the building. If we can't live stream we will release the service online at our church YouTube channel at 5pm each Sunday

We will inform you when we have further information on if we can live stream or not.

Midweeks will be though a zoom call every Wednesday night starting at 7pm.

## WHAT WE'RE DOING

- All those helping at the service will wear be wearing masks.
- There will be a hand sanitizing station available at the outdoor service.
- Restrooms and other surfaces will be cleaned the morning of service.
- Masks for guests are optional and will be available if needed.
- Bottles of water will be available.

## HOW YOU CAN HELP

- Maintain a distance of six feet between yourself and other guests, except family members
- While we should be sensitive to everyone in the fellowship, please remember and be respectful to those who have masks on
- Always respect and practice social distance.
- Remember some may be at higher risk than others, based on age or health conditions.
- Please feel safe to communicate if you are high risk, so we can love with sensitivity.
- If you want to fellowship with others, please do so outdoors within the social distance guidelines.

- Be flexible and show empathy and understanding toward one another, if people feel differently than you.
- Wash your hands often.
